

# WORKSHOP PROGRAM 2026

A LIFELONG JOURNEY OF LEARNING

# Welkom!

Everything I share comes from pure passion and my own experience.

Nature gives us so much, and we are grateful to work with it...

Whether you'd like to spend a day felting, print leaves and flowers on silk, wool or leather, or immerse yourself for three days in the joy of ecoprint on linen.

You are so welcome.

Every piece you create is unique, just like you.

No experience needed. Just curiosity and a desire to create!  
Do you feel that spark to make?

This is where it begins.
